

Malek Kazal

SOFTWARE DEVELOPER

SKILLS

HTML, CSS, JavaScript, React, NodeJs
Bootstrap, Tailwind CSS
Java, Spring, Web Services, REST
C#, WinForms, .NET, MVC, OOP
Git, GitHub, Linux, CentOS, AWS
SQL, Oracle, MongoDB
Flutter, Dart

EXPERIENCE

FULL-STACK DEVELOPER | INTERNSHIP

2023/10 – 2023/12 (Montreal, Canada)

During my internship at KinoKlik, a distinguished streaming platform catering to filmmakers, I immersed myself in the collaborative development environment as a Full-Stack Developer. Utilizing the MERN Stack (MongoDB, Express.js, React, and Node.js), I contributed to the development, testing, and maintenance of various web applications that enhanced the user experience and streamlined the content sharing process for filmmakers on the platform.

GRAPHIC DESIGNER & VIDEO EDITOR | FREELANCER

2017 - 2020 (Dubai)

As a Freelance Graphic Designer and Video Editor based in Dubai, I curated a diverse portfolio by crafting visually striking designs and captivating video content. Proficient in Adobe Creative Cloud, I leveraged tools like Photoshop, Illustrator, After Effects, and Premiere Pro to deliver tailored solutions that resonate with clients' visions.

ENTREPRENEUR | E-COMMERCE STRATEGIST

2019 - 2021

As an ambitious Entrepreneur, I spearheaded the launch and growth of multiple E-commerce ventures powered by the Shopify platform. From concept to execution, I harnessed my strategic prowess to conceptualize, develop, and manage these enterprises, gaining invaluable insights into the dynamics of online business.

DRIVER | UBER EATS/AMAZON

2020 - 2022 (Montreal, Canada)

Developed time management skills, honed problem-solving abilities, and practiced adaptability in a fast-paced environment. Strengthened customer service aptitude and acquired a strong work ethic.
